**Entry Limits:** The Regatta Committee reserves the right to limit entries to particular events or the regatta as a whole. Where possible priority will be given to a crew/competitors first entry and then second (double) entries will be accepted as space allows subject to the rules specified below.

**Double Entries:** will be accepted only as allowed below. The regatta is often over-subscribed and these rules exist to limit entries and to minimise the risk of entries being rejected arbitrarily due to excessive numbers. Wherever possible we will accommodate reasonable boat and cox sharing requests. These must be specified on the online entries system.

**Masters Handicap Events:** will be organised in accordance with the guidance provided in the 2011 Masters Handicap Events Operating Notes.

**Junior Events:** A minimum of three entries from two different clubs are required for an event to be held.
